

# E.W.Equipment

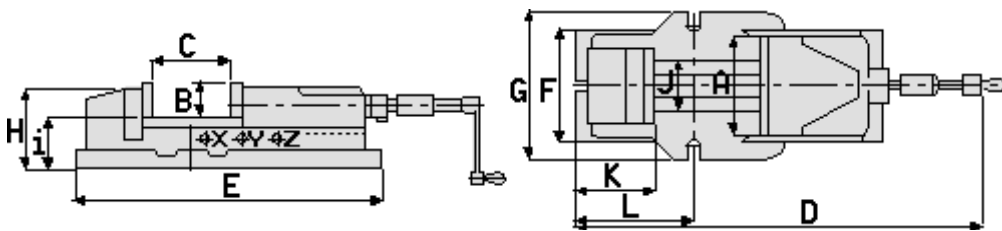

## NEW!! Hydraulic Machine Vice

**ONLY  
£390.00**

### FEATURES :

- The New E.W.Equipment **HYDRAULIC MACHINE VICE** is constructed with a **HYDRAULIC CYLINDER**. This system absorbs cutting vibration and improves the precision of machining whilst maintaining a high clamping force.
- The Body of these vices is made of high tensile cast iron. The Slide ways are hardened and ground to ensure rigidity, durability and minimal deformation.
- The vice Jaws are made of a special hardened **ALLOY STEEL** and are precision ground
